KÜARTZ
SURFACES

Established in 2019, Kuartz Surfaces joined the business group and it became the first and only Quartz Slabs Factory in Mexico.

Kuartz Surfaces is a company dedicated to the manufacture of Quartz Slabs used in hospitality and commercial projects.

Fabrication is available for custom projects and/or kitchen countertops.

KUARTZ SURFACES

NSF

KÜARTZ SURFACES

## Our advantages

### Formats

Different applications need different formats; we engineer custom ones based on your specifications.

### Styles

Here, you have the widest options of quartz slabs, including color, pattern, edge designs.

### Textures

With the aim of being adapted to your style, Kuartz Surfaces offers you 2 types of finishes: Polished & Matte finish.
